CONCORD

Innovation in our work systems allows us to adapt solutions for every need. The Concord Collection is characterized by its adaptability to various work posts. It's operational and functional for organizations that demand high performance in their daily work.

Chrome legs make our collection one of the most practical and resistant a round. Manufactured under high quality standards, it resists corrosion and guarantees excellent adhesion of paint.

DESK

CONCORD

The intersection of practicality and functionality. A good desk facilitates concentration and productivity. Get a solution tailored to your needs with our Concord desks. Guarantee the total stability of your work surface with the characteristic leg design.

CREDENZA

CONCORD

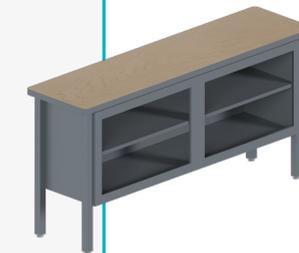

CREDENZA

If you are considering integrating a more informal and high-functionality storage system into your furniture, our Concord doorless credenza is a great option. Its open design allows you to make the most of every inch.

GLASS-DOOR CREDENZA

Perfect for operational posts, it adapts to different work environments with glass doors that provide a touch of elegance. Easily locate objects placed on its shelves. In combination with its deck space, it provides the ideal functionality for today's high labor demands.

CABINETS

CONCORD

Resistant materials and design with functional approach. Vertical filing cabinets are available with 2, 3 and 4 drawers. Given the need for order at work, storage furniture has become a fundamental element of every office.

Plan, organize and classify. Its spacious interiors allow you to carry out daily tasks faster thanks to the elimination of distractors. Thanks to the proportions of its design, it can be easily placed in narrow spaces, against a wall or in open offices.
