FILO

A furniture concept specially designed to equip the work environment of the modern managing director. Our elegant line combines the best elements to offer a new generation of products that will renew the way you live. It has a design of soft shapes. Thanks to its versatile configurations, it projects dynamism, creating elegant and stylish workspaces.

DESKS

FILO

BOW-TOP DESK SHELL

It allows you to work comfortably and functionally. The design of soft shapes adds versatility while projecting dynamism, creating elegant and stylish workspaces.

Pedestals can be added.

BULLET WITH MODESTY GLASS

The design of the bullet table, with contrasting curves and straight lines, make it the ideal piece to create configurations in combination with other elements from the Filo collection.

DESK SHELL

Thanks to its straight shapes, it allows us to keep the cover clear and concentrate on the tasks we are doing, without distractions or elements that hinder work.

Pedestals can be added.

FILO

4-DOORS CREDENZA

Its doors guarantee the security of your documents. Its shelves create a perfect space to divide your belongings according to your needs.

CREDENZA SHELL

It is characterized by ample space on deck that allows you to perform all kinds of tasks in managerial and administrative positions.

Pedestals can be added.

TABLES

FILO

Elegant and visually light. Full of classic and functional composition, they serve as support for infinite functions. More than just office furniture, our Filo Tables are the cornerstone that reflects the professionalism and leadership of your company. Learn about the features, benefits and customization options available for each.

COFFEE TABLE

Having the perfect coffee table for your work team will optimize performance from your collaborators. Our Filo coffee table seeks to promote unity and teamwork. Its dimensions allow it to be perfectly integrated into the design of your workspace. Naturally, your office needs to look good, and tables are part of it.

END TABLE

Our end table is very useful when thinking about decorating and at the same time storing small things. It is the key piece to creating harmony and filling a space. Get the most out of it and use it as a support by placing it next to a chair or a sofa. Its finishes maintain a sense of luxury from any perspective.

CONFERENCE TABLES

FILO

ROUND TABLE

When we're choosing the furniture for our office, we cannot overlook the importance of tables, which have become essential for conferences, meeting rooms, and for organizing the area. If you have a small space, your office will benefit from a round table. It will optimize space while making you feel comfortable and promoting communication.

BOAT-SHAPED TABLE

Thanks to the boat-shaped table, Filo creates the perfect environment for great decision making. Its soft-stroke design adds versatility while projecting dynamism, creating elegant and stylish workspaces. With two straight and two curved ends, it provides a visually innovative and imposing air. Select the dimensions and finishes to create the perfect space where your office meetings will take place.

Reception Return

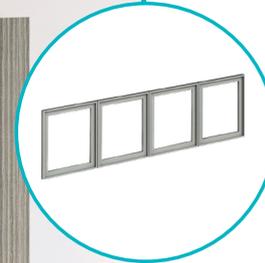

Captivate your visitors from the first moment! The reception of your office makes the first impression. According to studies it takes 7 seconds for the average person to make assumptions when entering a specific place. It's where visitors wait, where the parcel arrives and is signed to be delivered, where a person arrives who asks for information.
