PRIME

Prime is a modular line that offers a wide range of configurations. Ergonomic work surfaces with laminated finishes and covers, and decorative edges will allow you to generate optimally productive work environments.

Within the Prime collection, you can find accessories such as storage for your receptions, key pieces to optimize your office, modules, and more. Reflect on your organization's personality and find beauty in your furniture with different shapes, colors, and textures.

TABLES

PRIME

PENINSULA TABLE

With the Peninsula Table, access a wide range of configuration styles and get an eye-catching design around which users can move safely, thanks to its rounded finishes and shapes.

PENINSULA DESK 4" LEG

The straight and curved lines of this table gives flexibility for use in different ways. Place it next to the wall and save considerable space.

EXTENDED CORNER CREDENZA

With the integration of the extended corner credenza, ensure that your configuration can create "L" angles, increase deck space and contribute to an effective station design.

Available with half or full modesty panel.

CREDENZA SHELL

The more amenities a job offers, the better employees will perform since they will not be distracted by discomfort from different elements, such as cables.

Available with half or full modesty panel.
