# VOLT\_

An appropriate line for operational offices in simple, practical and functional ways, Volt stands out for the quality in its parts and wide range of components that allow the total furnishing of a private, collaborative office or boardroom. With a clear advantage for users, our volt line is a natural and direct solution to basic needs in workspaces. Explore the features of tables, sets and storage furniture.

# CONFERENCE

VOLT

Get an integral table that is suitable for developing all kinds of meetings. Its size and proportions encourage the exchange of ideas, improve spaces' functionality, and encourage communication.

It also promotes conversations led by a lead moderator or conducted by different groups of people.

# CONFERENCE

VOLT

With the Volt line, totally furnish your office and its different areas. Get an optimal work experience with a collaborative space to meet your needs. Develop successful meetings around one of our conference tables, develop and present ideas smoothly, close contracts and follow up on projects. Get to know our 2 options.

# — CREDENZA

VOLT

Make the most of the spaces with elements that elevate the functionality of each area. With simple lines and high versatility, the Credenza Volt can quickly respond to the most immediate labor needs of an administrative or operational workstation.

Create a configuration where order predominates thanks to its design with cable grommets. Give ample space to use gadgets without sacrificing a clean and organized environment. It uses its two sliding drawers to keep work tools and personal belongings on hand.

### HALF-CLOSED BOOKCASE

Complement your workstation with the middle bookcase. At the top, it has doors to keep its interiors hidden.

At the same time, its shelves at the bottom are ideal for displaying decoration elements, like photographs or documents constantly used.

### CLOSED BOOKCASE

Combine all the benefits of an open and closed storage system. Organize and store the elements used in your workday without neglecting the aesthetics and compatibility with the rest of your furniture.

# CREDENZA HUTCH

VOLT

Elevate the functionality of your workstation by adding the bookcase to the credenza with a lightweight design.

Keep your desk organized and tidy by adding a credenza hutch.

# CABINET

VOLT

The minimal design contrasts in finishing colors and stands out with sides in black low pressure; customize the fronts and work surface in pear, maple, or bordeaux colors. Organize projects, store documents, organize invoices, and maintain order in the office.

Thanks to its lock system, feel safe keeping your interiors in the office with limited access. Available with 2, 3, or 4 drawers.
